

Dispensers

Straight cut safety dispenser.

This cleverly designed dispenser uses a straight blade to ensure easy, straight cutting with no tearing. The result is a neat piece of tape without the ugly serrated edge so commonly seen. A safety guard protects your fingers from the edge, so there is no risk of injury.

Straight cut Safety Dispenser : \$29.50

Standard desktop tape dispenser

A high quality, weighted desktop tape dispenser with a non slip rubber base. Available in black or grey.

Standard Dispenser : \$9.80

Double sided tape applicator gun

This quality dispenser enables quick and easy application of double sided adhesive, with an automatic rewind for the backing paper.

Simply press the roller against the surface, pull the trigger and roll the tape where required. Then, release the trigger and pull the applicator gun away. Quick, clean and easy! Comes preloaded with 1 roll of tape.

Double sided applicator : \$49.50

33M Roll of double sided tape : \$ 6.00

Box of 12 rolls of double sided tape : \$59.40

Tapes

Matt finish mending tape
